

## **FAMILY HOLIDAYS**

### **VEREIN NATÜRLICH LEBEN / VEREIN SONNENHOF**

In the colorful play forest, we tell exciting stories, make music and sing around the campfire. We meet animals in nature and make great trips (Alpacca zoo / petting zoo), make great forest games and look forward to handicrafts and tinkering in nature. We make dream catchers together or create beautiful works of art / toys from nature. We cook fine food for lunch over the campfire - a good forest and root dwarf soup, spaghetti, curry rice or homemade pizza in a self-made clay oven. Colorful and exciting days with lots of fun and games await you. The forest area offers a great place with a roof (forest sofa) and kitchen shelter + forest playground + tents to stay overnight

## **FAMILY CAMP / NATURE HOLIDAY / CLOSE TO RELAXATION AT THE SONNENHOF NEAR KUMBERG AUSTRIA**

From spring 2021 (from the Easter holidays in Styria until the end of October), we will open our outdoor camp for families with Mongolian yurts, tipis and overnight stays in round tents or tents that you have brought with you. A separate indoor room offers an indoor kitchen, space for handicrafts + music and cooling options for food. In the nearby forest area, the adventure park / forest playground can be used - ideal for a weekend or an independent holiday with your children. There is always the possibility during the holiday periods to integrate the child into our daily program and you can go on a great excursion. There is a great Seepark facility with swimming fun + action playground, tennis, beach volleyball, football and much more

### **EXPENSES PER PERSON AND PER NIGHT INCLUDING ELECTRICITY:**
