

How to sign up for a trip:

1. Fill out the contact form and mention under "messages" which trip you are interested in. For individual travel, please indicate your desired date or travel period. Also tell if you are traveling alone or in company
2. The provider sends you the detailed information about the trip in the sense of an offer. All conditions of participation are listed in this offer
3. By accepting the offer, a binding travel contract is created for both parties. The fulfillment of the contract is not the responsibility of Vivamos Reisen, but is the responsibility of the local providers / tour guides
4. After receipt of the registration, the provider will charge a partial payment of CHF 450.-- or EURO 400.-, payable within 3 weeks. The balance is due 10 days before departure
5. For small group trips with not enough registrations, the provider discusses with the customer in on alternative options with the aim to carry out the trip anyway
6. If, despite compulsory registration, someone is unable to attend the trip but wins another person as a substitute for participation, the journey can easily be transferred to another participant
7. The conclusion of a travel cancellation insurance is recommended, so that in the event of a short-term prevention the traveler and the provider no financial damage
